

Sweeper Operator

A-LOT-CLEANER, INC provides a diversified package of property maintenance services including: Parking lot sweeper services, debris removal, dumpster rentals, junk car removal, boat removal, hot tub removal, container services, demolition, junk removal, storm clean-up, clean outs, snow removal, landscaping maintenance, organic weed control, stone screening, landscape clean-up, restoration and more.

We are seeking one individual for a full time, sweeper operator position.

This is overnight work including holidays and weekends. The daily work schedule varies based upon the workload.

This position is physically demanding requiring good physical condition.

During inclement weather, duties may include but not be limited to shoveling snow and shop assistance.

The individual will be assigned to parking lot sweeping, and will alternate with field work which will include landscaping, power washing, debris removal, snow removal, and property maintenance.

The individual must be a self-starter, able to follow direction and be able to perform a task to completion as well as meet job assignment deadlines.

Organizational skills, the ability to prioritize and communicate effectively as well as fastidious attention to detail are a must.

The candidate must have a clean N.J. driver's license.

The ideal candidate for this position would be able to work during the daytime on a swing shift schedule.

Starting pay is \$12.00- \$15.00 /hour, commensurate with experience.

We will only be able to respond to those who meet the minimal qualifications for the position.

732-244-8980
